

# Community Bonfire

January 6th, 2017

Starting at 5 P.M.

95 County Farm Rd.

Unity, NH 03743

**Celebrate the New Year with us at the County Farm Community Bonfire!**

This is an informal gathering, so you may come and go as you please. We will have hot chocolate and treats at the **Ahern Building** as well as **Biomass Plant Tours from 5-6pm**. The bonfire is located down the road from the Biomass Plant. Please park in the main parking area and walk down the dirt road to the bonfire. Make sure to bundle up and bring a chair if you like. There will be music and marshmallows for roasting at a smaller fire nearby. We hope you can join us for fellowship and fun!
