

Residents with Alzheimer's disease supported with walk

To the editor:

In order to honor our residents with Alzheimer's disease and related dementias and their families, employees of Sullivan County Health Care have organized a team called "MacConnell's Marchers" to walk in the annual Memory Walk on Sept. 15, to support the Alzheimer's Association in its fight against Alzheimer's disease.

"MacConnell's Marchers" will participate in the three-mile Capital Area walk departing from the State House lawn. Donations to support "MacConnell's Marchers" and the Alzheimer's Association may be mailed in care of team captain, Patti S. Koscielniak, external care coordinator, Sullivan County Health Care, 5 Nursing Home Drive, Claremont, NH 03743.

Donations should be received by Friday so all funds raised can be turned in the day of the walk.

If you would like to join the team or have any questions, please call Patti at (603) 542-9511 ext 289.
